

# BOYKIN SPRING FLING

at Cante Lane Farm in the Boykin Community

Sunday, March 27, 2022

9:00 a.m. - 4:00 p.m.

All proceeds to benefit The Camden Hunt & The Camden Hunt Hounds

... a fun, invigorating ride through the Boykin countryside, over some of the most historically beautiful and open farmland in Kershaw County. Two highly significant properties - historic Pine Grove Plantation and newly-constructed English estate Tishaminga - are new to the event and will be accessible to all riders on the day of the ride. The course will include optional hunter-style fences at Cante Lane Farm.

## SCHEDULE

9:00 a.m. - Noon

### TIMED TRAIL RIDE

Riders will compete for the "ideal time" that simulates best the pace of cub hunting. Under these circumstances, it is not about speed but consistency: the fastest time is not necessarily the winning time. There is a lot of open country to move out a fit horse. Groups are limited to three riders and will leave every three minutes.

Noon - 2:00 p.m.

**LUNCH** *Box lunches provided by The Mill Pond Steakhouse in Boykin*

1:00 - 3:00 p.m.

### (Un-timed) AFTERNOON TRAIL RIDE

Riders will set their own pace over uncomplicated terrain on the same clearly marked course. Each group is limited to five members; groups will leave every three minutes. This might be a perfect time to bring out those green horses, old steadies, and "softies".

## DIRECTIONS

The Boykin Spring Fling takes place at Cante Lane Farm, 1200 Sumter Highway, Rembert, South Carolina.

*From Camden/Columbia:* Take Hwy 521 South toward Boykin (exit 98 on I-20); go approximately three miles south of I-20 toward Sumter; take the second gravel road on the left after Tombfield Road.

*From Sumter:* Take Sumter Highway (Hwy 521) North; approximately three miles beyond Swift Creek Road, Cante Lane Farm will be on the right. (If you come to Tombfield Road, you've just missed it; turn around and take the second gravel road to the left.)
