SCHEDULE

9:00 AM – 11:00 AM

TIME TRAIL RIDE

Riders will compete for the “ideal time” that simulates best the pace of cub hunting. Under these circumstances, it is not about speed but consistency: the fastest time is not necessarily the winning time. There is a lot of open country to move out a fit horse. Groups are limited to three riders and will leave every three minutes.

11:00 AM

CATERED BY – *The Mill Pond Steakhouse at Cantey Lane Farm*

11:30 AM – 3:00 PM

(UNTIMED) AFTERNOON TRAIL RIDE

Riders will set their own pace over uncomplicated terrain on the same clearly marked course. Each group is limited to five members; groups will leave every three minutes. This might be a perfect time to bring out those green horses, old steadies, and “softies”.

IMPORTANT NOTES

- Not riding? Come relax, reserve a buffet lunch, enjoy a day in the beautiful countryside, and watch the horses and riders. Bring a chair if you wish!
- We ask that you please try to be prompt for your pre-scheduled ride time on the course, but we will fit you in regardless of when you arrive.
- Riders are asked to wear protective headgear, sign a release form, provide proof of current negative Coggins and carry a working cellphone.
- Dogs on Leashes Only!
