

## **The Boykin Spring Fling And Trail Ride 2024**

April 7th was a perfect day for the trail ride! Though it started out a bit on the chilly side, it quickly warmed to the beautiful day that it was!

Riders began at Cantey Lane Farm and then proceeded through breathtaking properties, farms and farmland before ending up back at the place of beginning. Lunch was provided by The Millpond Restaurant and served under the large picturesque live oak trees.

The timed ride, which had an ideal time of 1 hour and 38 minutes, had ties for both the Champion and the Reserve Champion.

Shannon Poteat, Susan Willoughby & Leslie Krause tied with Patti Kitchens & Leah Dvozenka for Champion.

Greg Grzeszczak tied with Amy Cantey for the Reserve Champion.

Many, many thanks go out to  
Di DuBose,  
the sponsors,  
all the volunteers,  
the helpers  
and to the gracious landowners  
for a fabulous day in the country!
