

## FRIENDS OF HUNT COUNTRY

Camden Hunt Country is the property of several private landowners. In exchange for the privilege of using their property, The Camden Hunt bears the responsibility of maintaining, repairing, and controlling access to its many trails, jumps, and water crossings. Everyone who rides in Hunt Country accepts responsibility for its care and contributes to the cost of its upkeep.

Friends of Hunt Country was created to allow riders who do not subscribe to The Camden Hunt to enjoy this property. Anyone who rides in The Camden Hunt Country must therefore be either a subscriber of The Camden Hunt or a Friend of Hunt Country and possess the TCH tag on their person or tack when riding in Hunt Country. And anyone riding in Hunt Country **MUST** have signed a waiver (on line at [camdenhunt.com](http://camdenhunt.com).) Friends of Hunt Country is a seasonal subscription from July 1 to June 30.

Seasonal subscription for Friends of Hunt Country is \$350 and requires a signed liability waiver and payment either in The Camden Hunt site box at the Thiel Ring entrance (end of Firetower Road,) The Camden Hunt Clubhouse (on Red Fox Road,) or the East West Powerline (near Hunt Trace Road.) Membership fees and liability waivers may also be submitted on line at [camdenhunt.com](http://camdenhunt.com) ("Payments" and "Waivers".) Occasional guests of TCH subscribers and Friends may ride up to five times with the Friends on Hunt Country host upon payment of \$30 per ride and submission of a signed waiver. If shipping in to The Camden Hunt Country to ride, a Friends trailer sticker must be displayed on the horse trailer or truck. All current Friends will be sent subscription invitations for the upcoming season.

Individuals or groups riding in Hunt Country without a subscription to The Camden Hunt or Friends of Hunt Country may be charged with trespassing. The Camden Hunt accepts no responsibility for any injury or accident incurred while riding in Hunt Country illegally.

In order to encourage more riders to enjoy The Camden Hunt Country, TCH riding subscribers who board, train, or host "riding out" may purchase a Barn Friends subscription which provides tags for their clients so the subscriber can "ride out" with their customers for the season. Contact Treasurer William Browning to arrange.

Subscribers to The Camden Hunt are strongly encouraged to verify unfamiliar riders as to their possession of tags and therefore authorization to enjoy The Camden Hunt's beautiful Hunt Country.
